

Academic Year: 2021-22

Coaching for Slow Learners and Advanced Learners,

The learning levels as slow learners and advanced learners are identified by observing the past performance of the admitted students. In case of first year degree students the marks secured by them in higher secondary examination, in case of second year degree students and third year degree students their annual grade of previous years and likewise is considered for their academic classification. This classification is

Slow Learners = Students securing marks below 45% or 'C' Grade and below

Advanced Learners = Students securing marks above 80% or A+ Grade and above

During the year, following departments have conducted lectures for slow learners and advanced learners.

Sr. No.	Departments	Lectures for Slow Learning			Lectures for Advanced Learning		
		First Year	Second Year	Third Year	First Year	Second Year	Third Year
1	Department of Commerce and Accountancy	14	14	12	14	14	12
2	Department of Economics	4	6	10	4	6	10
3	Department of History	2	6	12	1	4	12
4	Department of Geography	2	4	5	2	2	8

The teachers from all above department have also guided students personally at their departments and at personal levels through Google Classroom and Whatsapp Groups of College.
