Guidance on Competitive Examinations and Career counseling (2021-22)

During the year 2021-22, due to COVID-19 we have conducted competitive examination guidance lecture online on 15th October, 2021.

However, we have continued our practice of career and personal counselling on Saturday of every week through the convenor of Guidance and Counselling Cell, if asked by students. He has developed a video on preparation of examination and maintaining physical fitness during Pandemic period.
